Re Bureau letter to Little Rock, 4/5/68, captioned "AGITATOR INDEX." u

Little Rock has conducted investigation concerning this individual since February, 1968, to establish his current activities and sympathies in order to make a determination as to whether he should be included in the Agitator Index. u

FOIA(b)(6)

BORN -

FOIA(b)7 - (D)

On April 4, 1968, Dallas advised that Assistant Chief of Police HAROLD MC GEE, Texarkana, Texas, advised SA SAM C. COTTON on April 1, 1968, that his department has no arrest record for EARL WALTON. u

Mrs. ALENE PAYNE, Bowie County Shierff's Office, Texarkana, Texas, also advised SA COTTON on April 1, 1968, that her department has no arrest record for WALTON. u

On February 27, 1968, Lieutenant LOUIS LE GRAND, Detective, Police Department, and Deputy Sheriff BLACKIE GREEN, both Texarkana, Arkansas, advised their departments

have no arrest record for WALTON. They both pointed out that there has been no racial violence, injuries, or property damage in the area in recent years and neither has there been parades or demonstrations. Both officers advised their departments have had no contact with WALTON and have received no information that he might be inclined to incite disturbances.

On March 4, 1968, Reverend C. K. YARBER, Negro male, Park Avenue, Texarkana, Arkansas, advised he considers it his responsibility to do all reasonably possible to prevent racial disturbances and violence in Texarkana, Arkansas, and in this regard he has maintained a close watch on the activities of EARL WALTON because it appeared in July, 1967, that WALTON and others were leading a group of some 25 young Negro males and that WALTON and others were trying to persuade the group to ride through the downtown area to cause a disturbance. Reverend YARBER and other ministers talked very strongly with the group urging that no such action be taken. The group of some 25 persons took no action that night and have taken no such action since that time to cause trouble.

Reverend YARBER has continued his observations of WALTON for the above reasons and during that interview expressed the opinion that WALTON has shown no propensity for violence or as an organizer for violence. Reverend YARBER now suspects that he himself may have been too quick to attribute a violent attitude to WALTON and the other young men since no violence took place.

On April 5, 1968, and April 15, 1968, PCI LOVE and Reverend YARBER pointed out that during the period following the murder of MARTIN LUTHER KING, JR., in Memphis, Tennessee, on April 4, 1968, the racial situation in Texarkana, Arkansas, was very calm. Both of these individuals observed WALTON and his associates on numerous occasions during those few days and he showed no indications of attempting to lead a group into racial difficulties.

On April 15, 1968, Prinicpal MOTT MOSLEY, Washington High School, Texarkana, Arkansas, advised EARL WALTON, then living at 1806 Laurel, Texarkana, Arkansas, graduated with a "B" average on June 2, 1963, from the

school. He was born May 16, 1945, at Texarkana, Arkansas. There is no record of disciplinary action at the school. u

Little Rock recommends that EARL WALTON not be included in the Agitator Index for the reasons as set out above. u

Little Rock is closing this case. u

Re Little Rock let to Bureau, 1/8/68; and Bulet to Little Rock, 4/5/68.

The Bureau requested in relet to be advised as to the status of investigation concerning the individuals mentioned in re Little Rock let.

This is to advise that the investigations on the four individuals mentioned in Little Rock let to Bureau, 1/8/68, are all currently awaiting investigation by other divisions. Little Rock is withholding definite recommendations concerning whether or not these individuals should be included in the Agitator Index until the results of the investigation requested of these other divisions is known; however, investigation by the Little Rock Division to date in all of these cases indicates these four individuals are not logical candidates for inclusion in the Agitator Index in that sources and informants have advised that these individuals are not considered troublemakers at this time. It appears that the original information concerning these individuals may have been exaggerated and the activities of all of these individuals were closely watched during the recent racial violence which occurred after the assassination of Rev. MARTIN LUTHER KING, JR., and it was determined that none of these individuals were involved in any racial incidents and there was not any information received indicating that any of them were agitating or recommending that anyone become involved in racial violence.

As stated above, definite recommendations will be submitted to the Bureau concerning each of the individuals identified in Little Rock let of 1/8/68 after all of the outstanding investigation is completed.

SUBJECT: RABBLE ROUSER INDEX
SUGGESTION 731-68 SUBMITTED BY
MISS GEORGIA ANN LAPE
CHICAGO OFFICE

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 4-22-80 BY SP1 GSK ldw

SUGGESTION: Suggests use of an "Agitator Index" verification form when verifying residence and employment of subject, also notation as to availability of current photograph, and notation as to whether Secret Service should be notified and Bureau advised by Form FD-397 (Recommendation for Addition to, Change in, or Deletion from, Rabble Rouser Index). Suggests verifications be made on a six-month basis. Proposes an "Agitator Index" description form to be used when placing new subjects on "Index." Samples of forms attached to the background material. u

CURRENT PRACTICE: Suggester states a tickler system is used. u

ADVANTAGES: Use of the forms would facilitate handling of cases when verification of residence and employment are due and would afford better administrative control according to Miss Lape. u

OBSERVATIONS: SAC Johnson, Chicago, stated these appeared to be excellent suggestions and he recommended favorable consideration. u

The Domestic Intelligence Division advised that regarding the recommendation for a form to be used when verifying residence and employment, it felt that in addition to the form not containing sufficient information concerning the subject, there are only slightly over 300 individuals on the "Agitator Index," which does not appear to present a sufficient problem to justify the recommended form. As to the proposal to verify residence and employment every six months, this division pointed out that current requirement is that this information be verified every three months. It felt, based on the nature of the "Agitator Index" subject, this verification should not be extended to six months. Regarding the suggester's recommendation for an "Agitator Index Description Form," inasmuch as it is required that descriptions be furnished in the first report or letterhead memorandum, so the Domestic Intelligence Division did not feel that an additional form setting forth the description is necessary. u

Reurlet dated April 4, 1968, under the same caption proposing that the Bureau consider furnishing all offices with photographs, descriptions, and succinct background of all individuals on the captioned index. You further noted that this could be done on a regional or national basis. u

After due consideration, it has been decided your proposal should not be adopted. It is felt the administrative work in preparing, disseminating, and updating this information is unwarranted in view of the fact that a small number of these individuals travel around the country to any great extent. These are usually individuals of such notoriety that offices usually have ample advance information of their movements from their sources, both public and confidential. Further, with respect to regional aspects, it would be difficult to determine the limits of any given region for administrative purposes since some of these individuals have, on occasion, traveled from one area to another with no pattern of contiguity, as regards their normal bases of operations. However, although it is not believed feasible for the Bureau to initiate the procedure you suggested, there is no objection if field offices wish to exchange such information with their neighboring offices. u

In view of the possibility of widespread riots in the months ahead and because of the propensity of certain professional rabble rousers to travel about the country fomenting or perpetrating civil disorders, the Bureau is requested to give consideration to furnishing all offices with photographs, descriptions, and succinct background of all individuals on the Agitator Index. This can be done either on a regional or national basis. u

This will preclude the necessity of last-minute teletypes to various offices requesting photographs and information regarding individuals whom informants may advise are either present in or who are contemplating coming to a particular division to participate in an anticipated riot or a riot then in progress. u

If such information is available to each office, local law enforcement can be promptly furnished with photographs and pertinent information regarding those individuals in the area. State authorities might also be in a position to intercept them on some charge prior to their arrival in a particular city. This would apply to organizations such as Deacons for Defense and Justice and similar-type groups who are frequently called upon to aid and assist in riots. u

It is appreciated that to supply offices with this data would result to some extent in an additional burden and expense to the Bureau. However, it is believed the end result would in many cases be worthwhile this expenditure. u

SUBJECT: RABBLE ROUSER INDEX

To recommend that the Rabble Rouser Index be renamed the Agitator Index and that instructions be issued to the field to include a current photograph and description on the back of the card maintained by the field. u

The Rabble Rouser Index includes individual agitators who have demonstrated by their actions and speeches that they have a propensity for fomenting disorders of a racial and/or security nature and have attracted such attention nationally or locally. u

The name Agitator Index more aptly describes this Index as it is now constituted. u

The inclusion of a current photograph and description of the agitator on the back of the card maintained in this Index in the field is desirable for maximum utilization of the Index in the event of a disorder. u

The conferees at the Special Black Nationalist Conferences held recently at the Bureau discussed these changes and felt that both the above changes would be helpful in handling this Index. u

RECOMMENDATION:

If approved, the attached letter to all offices will advise the field of the change in the name of the Index and will instruct them to immediately take steps to place a current photograph and description of each agitator on the back of each card maintained in the field. E. AGITATOR INDEX

1. Purpose

This Index will provide for ready reference in the field and at the Bureau specified personal data and a thumbnail of agitational activities on each individual whose name is included in the Index. This should include agitators of all types whose activities have a bearing on the national security, such as black nationalists, white supremacists, Puerto Rican nationalists, anti-Vietnam demonstration leaders, and other extremists. The fact that the individual is on the Security Index or Reserve Index does not preclude his inclusion on the Agitator Index.

2. Standards for inclusion

NOT RECORDED

a. Prominent agitators who

(1) Have demonstrated by their actions and/or speeches that they have a propensity for fomenting disorder of a racial and/or security nature, and

NW 5093 DocId:59161087 Page 20

8. Abstracts

a. When recommending the addition of a new subject to the Agitator Index or the deletion of a subject from the Index, Form FD-397 should be accompanied by an abstract. No abstract is necessary when submitting amendments or changes only. u

9. Annual reports

a. Annually a letterhead memorandum or, where required, a report suitable for dissemination is to be submitted on each individual whose name is included in the Agitator Index. The letterhead memorandum or report should include all pertinent information not previously included in an annual report or ~~summary~~ annual letterhead memorandum. u

10. Dissemination

a. The original and one copy of Form FD-376 for use in dissemination of each letterhead memorandum or report to Secret Service headquarters should be submitted to Bureau. A copy of the same form is to be used by the submitting field office to disseminate a copy of the letterhead memorandum or report to Secret Service locally. A copy of the form is also to be retained in the field file in each instance. u

NW 5093 DocId:59161087 Page 21

b. In cases in which there have been reports previously submitted and no prior dissemination has been made to Secret Service, do not disseminate prior reports to Secret Service but prepare a letterhead memorandum in each case for dissemination to Secret Service headquarters and locally as provided for concerning Security Index subjects in Section 87D, Item 8a, (9), Volume III, of this Manual. Dissemination to Secret Service of changes in residence and employment and other pertinent matters of interest should also be handled as in Security Index cases by use of Form FD-366 as provided for in the above Manual citation. u

c. Dissemination shall be made in these cases to other interested Federal Government agencies as in other cases on security subjects as provided for in Section 87D, Item 6b, (4), and Item 8, Volume III, of this Manual. u

NOTE:

The changes on which the above revision is based were previously approved in memoranda G. C. Moore to Mr. W. C. Sullivan, captioned "Rabble Rouser Index," dated 11/22/67, 1/5/68, 3/13/68, and 3/21/68. The field was notified of the changes by SAC Letters 67-70 dated 11/28/67, 68-5 dated 1/16/68, 68-18 dated 3/19/68, and letter to Albany with copies to all offices captioned "Agitator Index," dated 3/21/68. u

Copies of the photographs could be furnished to the Bureau for Bufile 157-7782, captioned "Rabble Rouser Index". Current practice or rule (Include manual citation as well as facts) The current format for the Rabble Rouser Index to be maintained by the field is set out in Manual of Instructions, Vol. IV, Section 122 E. No provision is made for photos.

Advantages of suggestion and annual savings (include basis for estimate)

The photographs of individuals most likely to participate in a racial disturbance, meeting, or conference would be readily available to the Agent(s) covering a particular situation, thereby eliminating the necessity of having to review each individual file for a photograph during a period when time could be of the essence. These photos could also be furnished to informants as an aid in identifying members of the Index who might not be known except by a "street" name or alias. These photographs could also be furnished by one field office to another office in whose territory a racial disturbance or conference is being, or has been, held. This would help to definitely establish the interstate travel of those individuals on the Index.

At the recently-completed Special Black Nationalist Conference a discussion was held concerning present requirements for the submission of reports in Rabble Rouser Index cases. The conference recommended that in the interest of economy and as a streamlining measure letterhead memoranda containing appropriate background data and succinct resumes be substituted for reports.

The present practice is to require a summary-type, nonprosecutive report in these cases initially and an annual report thereafter.

The conference felt that in view of the tremendous amount of paper work involved in the racial intelligence field, streamlining measures are essential and expressed the opinion that detailed reports covering a subject's entire background and past history of activities are not essential in Rabble Rouser Index cases such as is the case involving Security Index subjects and that the submission of a letterhead memorandum with pertinent background information and succinct statements setting forth a resume of the subject's relevant agitational activities would adequately serve the purpose, thus resulting in considerable stenographic and Agent time saved.

At the present time, we have 250 Rabble Rouser Index subjects and in view of the increase in agitational activities throughout the United States, it is estimated that another 300 will be added to this Index by the end of the year.

RABBLE ROUSER INDEX
1-43

It has been estimated in dollars and cents that actual savings are involved. The Washington Field Office has estimated that $31.91 would be saved by eliminating reports and substituting letterhead memoranda in each case. In arriving at this figure, the Washington Field Office felt that while the average report would run around 15 pages including pages of administrative data, a succinct letterhead memorandum could be reduced to no more than eight pages, thus saving seven pages of typing at $.85 a page, or $5.95 a report. Savings in Agent hours were estimated at four per subject and when computed on the basis of Grade GS-13, amounts to $25.96, thus resulting in a total stenographic and Agent savings of $31.91 per subject. This would amount to an annual savings field wide of approximately $8,000 on the basis of the present size of the Rabble Rouser Index, namely 250. It would mean an annual savings of in excess of $17,000 on a projected estimate of 550 subjects by the end of the year. U

RECOMMENDATION:

That we no longer require reports in the cases of Rabble Rouser Index subjects and that letterhead memoranda be substituted therefor. If you agree, there is attached a proposed letter to all Special Agents in Charge. Manual changes being handled separately. U

As a member of CORE, he participated in "freedom rides" in Alabama and Mississippi during 1961 and participated in racial demonstrations at Jonesboro and Bogalusa, Louisiana, in 1965.

On July 7, 1961, REYNOLDS was arrested by the Jackson, Mississippi, Police Department for "breach of peace" in connection with freedom-rider activities at the Trailways Bus Terminal in Jackson and was arrested at New Orleans, Louisiana on August 23, 1961, and on November 5, 1963, in connection with CORE demonstrations.

Enclosed are one (1) copy each of news clippings from the January 24, 1968, and February 1, 1968, issues of the "Seattle Times", a daily Seattle newspaper, entitled respectively "SBA Loan Sought For Furniture Plant" and "Negro Group To 'Develop' Jobs Itself."

Re Bureau letter February 12, 1968; Seattle letter to Bureau and LHM, 1/19/68, entitled WILBERT LESTER McINTOSH, aka, Information Concerning (RM), BUfile 157-8426, SEfile 100-19330; and Seattle airtel to Bureau and LHM, 1/30/68, entitled "Demand for 150 New Jobs for Negroes in Next 72 Hours, Seattle, Washington, 1/30/68, Racial Matters," SEfile 157-700.

As set out in Seattle letter of January 19, 1968, referenced above in the matter of WILBERT LESTER McINTOSH, this individual does not appear to qualify, and is not recommended for inclusion in the Security Index, Reserve Index, or Rabble Rouser Index. This decision was based on the fact that although he has been, and continues to be, very active in the racial and/or civil rights field in the Seattle area, his approach with authorities for the most part has been termed cooperative, constructive, and conciliatory, and not designed to foment disorder.

As further evidence of the attitude of subject, and in contrast to first published reports of the matter covered in referenced Seattle airtel of January 30, 1968, above, is the enclosed news clipping of February 1, 1968, wherein McINTOSH is quoted as saying the Central Area Committee for Peace and Improvement (CAPI), an organization in which he is one of the dominant figures, has committed itself to programs, not protest, and that any interpretation that CAPI had violence in mind is incorrect.

$50,000 Needed

S. B. A. Loan Sought For Furniture Plant

Applicatin for an economic-opportunity loan through the Small Business Administration is expected to be made next week by the Central Area Committee for Peace and Improvement to establish a furniture plant.

Les McIntosh, C. A. P. I. executive secretary, said about $50,000 would be needed to start a small, furniture-manufacturing operation in an existing building in the central area.

If financing can be obtained the plant would employ initially about 40 area residents, McIntosh said.

BACKING from private investors also will be sought, McIntosh said.

The proposal was detailed at a C. A. P. I. meeting last night.

The committee was approached by the designer of a cube-like piece of furniture, which could be produced in all sizes as a chair, chest, stand or cabinet. McIntosh said it would not take a lot of equipment to produce the cube furniture.

He said the proposed project would provide jobs for Negroes, hold money in the community and meet a demand for low-cost furniture.

McIntosh said he was hopeful the plant could begin operation by June.

HE SAID long-range hopes of the committee include construction and operation of a bowling establishment and supermarket.

The committee also has asked the Office of Economic Opportunity to consider funding a halfway house to provide recruitment, shelter, food and counseling for hard-core poor until they can be placed in employment.

C. A. P. I., formed last fall, now claims a paid $1-membership of 750.

Negro Group To 'Develop' Jobs Itself

Les McIntosh, executive secretary of the Central Area Committee for Peace and Improvement, said today that if the city cannot provide 150 new jobs for Negroes, C. A. P. I. will develop them itself.

Twenty young Negroes met with Mayor Braman Monday afternoon and demanded the jobs within 72 hours. Bob Redwine, a C. A. P. I. official, added: "Or else."

McIntosh said, "Reports of a threat were exaggerated."

He said C. A. P. has committed itself to programs, not protest, and any interpretation that C. A. P. I. had violence in mind is incorrect.

He said C. A. P. I. was to meet late today to decide its next move.

Re Bureau letter dated 1/11/68, instructing that the activities of Reverend A. D. WILLIAMS KING, Reverend LEO LESSER, and [redacted] (correctly spelled [redacted]) again be analyzed to determine whether they fit the expanded criteria for the Rabble Rouser Index.

Reverend A. D. WILLIAMS KING and Reverend LEO LESSER, JR., are co-Chairmen of the Kentucky Christian Leadership Conference (KCLC), an affiliate of the Southern Christian Leadership Conference (SCLC). Reverend A. D. WILLIAMS KING is of course the younger brother of MARTIN LUTHER KING, JR.

An extensive review has been conducted of the Louisville files containing information about the 1967 open housing demonstrations in an attempt to find data supporting the inclusion of KING and LESSER on the Rabble Rouser Index. The following is noted:

EX 102 REC-3 157-7782-205

Open housing has been an issue in Louisville, Kentucky, for a period of years. The 1967 demonstrations were carried on by the Committee on Open Housing and the Ad Hoc Committee for Open Housing made up of approximately 30 Louisville organizations. The first demonstration in a continuing series occurred on 3/3/67, and was described as a spontaneous march. Following a ~~meeting between~~ civil rights leaders and the Mayor of Louisville, in

which civil rights leaders were disappointed by the Mayor's attitude, a march was made to a furniture store operated by the family of Mayor KENNETH A. SCHMIED. u

In late February and early March, 1967, considerable publicity was given to the arrival in Louisville of several "technicians" reportedly sent by SCLC from Chicago to assist in Louisville open housing demonstrations. u

On 3/1/67, Monsignor A. F. HORRIGAN, President of Bellarmine College, and Chairman of the Louisville-Jefferson County Human Relations Commission, was reported as stating that while he felt Reverend A. D. WILLIAMS KING was responsible for the technicians coming to Louisville, he was not aware ahead of time of inflammatory remarks attributed to one of the technicians, did not approve of these remarks and was very displeased at the remarks that were made. u

On 3/6/67, a source advised that a dispute had arisen between the technician to whom the inflammatory remarks were attributed and local civil rights leaders, and that the technician had disappeared from Louisville. u

A story in the Courier Journal, Louisville, Kentucky, a newspaper of general circulation on 3/1/67, who reported that the Committee on Open Housing was cool to suggestions of the technicians but that Reverend A. D. WILLIAMS KING had not openly repudiated them. u

The Louisville Times, Louisville, Kentucky, a newspaper of general circulation, on 2/28/67, reported that at an open housing meeting on 2/27/67, at which time it was expected that the Louisville Board of Aldermen would begin to consider an open housing ordinance, Reverend A. D. WILLIAMS KING reportedly said that the committee on open housing had decided to withdraw threats of demonstrations until the Board of Aldermen had a chance to act. He was quoted, "I want it clearly stated that we don't think it is necessary to demonstrate in Louisville. We don't want to demonstrate. We hope the Board of Aldermen will act... we're going to be quiet. u

NW 5093 DocId:59161087 Page 67

CONFIDENTIAL

The story noted that KING had reversed an earlier statement by a team of "technicians." u

On 2/27/67, a source reported that when the SCLC technicians from Chicago arrived in Louisville they expressed disappointment over the obvious lack of followers under Reverend A. D. WILLIAMS KING. X

The Louisville Times on 1/24/68, reported that at a meeting of high school students, Reverend A. D. WILLIAMS KING in a talk to the students stated that instead of "burn baby burn," students should concentrate on "learn baby learn" in order to "earn baby earn." u

The Louisville Times on 3/15/67, reported what is believed to be the first police action during the series of demonstrations. On 3/14/67, about 20 demonstrators were forcibly removed from the Aldermanic Chambers in City Hall by police. The demonstrators had attended an Aldermanic meeting expecting action to be taken on an open housing ordinance, when none was taken, they refused to leave when asked and ordered to do so. Reverend KING was the first to be dragged off. Reverend LEO LESSER, JR., was also dragged out of the building. KING later claimed that his wrist was injured by a policeman who attempted to make KING walk. His daughter also received a minor injury in being removed. Following this incident, KING was quoted as stating "escalation begins today," and "as we walk we will be seeking to negotiate with city officers." u

The Courier Journal on 3/29/67, reported that the first large scale confrontation of forces for and against open housing occurred on the night of 3/28/67, at a meeting of the Louisville Board of Aldermen. u

A shoving match resulted outside of City Hall when only 200 persons were permitted to enter the building to attend the Aldermanic meeting. Supporters and opponents of open housing were attempting to force their way into City Hall. u

CONFIDENTIAL

NW 5093 DocId:59161087 Page 68

CONFIDENTIAL

At one point, Reverend KING, as a spokesman for the Committee on Open Housing, reportedly urged his followers to be calm and thereafter the "surges" toward the Aldermanic Chambers were quiet and orderly.

KING was permitted to enter the Chambers, but later led his followers outside before the Aldermanic meeting began, stating "We want it known that tickets (issuance of tickets of admission to the Aldermanic Chambers) aren't going to keep us down."

On 3/30/67, according to police sources, open housing supporters picketed a meeting of the Concerned Citizens Committee, which group opposed open housing legislation. At one point, a number of the pickets who were mostly teenagers, attempted to push through the doors of the auditorium in which the open housing opponents were meeting, but were kept out by persons stationed at the doors.

As a result of this disorder, police arrested about 20 juveniles including the daughters of Reverend A. D. WILLIAMS KING.

The Courier Journal on 3/31/67, noted that these were the first civil rights arrests in Louisville since June, 1964, when 7 persons were arrested in connection with a demonstration.

During the course of the series of demonstrations, demonstrators were arrested at various times for failure to comply with certain regulations and failure to comply with an injunction finally obtained by city authorities. The only disorder caused by demonstrators was occasioned by their refusal to cooperate with arresting police, going limp and sitting down in the streets when they were told that they could not demonstrate. During the later marches, the demonstrators obeyed regulations set up by a court order and were responsible for no disorders themselves.

Beginning in April, white hecklers began following demonstrations, throwing objects, calling demonstrators names, and otherwise harassing demonstrators.

The hecklers were not organized and represented no particular organization. Many of the hecklers came from the area in which the demonstrations were being held. When demonstrations were held in the South End of Louisville, there were a large number of hecklers, but when held in Louisville's East End, usually considered to be a better residential area, there were few hecklers.

Reverend A. D. WILLIAMS KING was among 7 leaders against whom an injunction was obtained by the City of Louisville. The injunction among other things provided that the demonstrations could not be held at night.

KING and the other leaders were held in contempt for violation of the order in attempting to stage a march on the night of 4/14/67, the day the injunction was issued.

KING and other leaders made threats regarding activity to disrupt the Kentucky Derby, and as a result of these threats, the Derby Eve parade was cancelled. Shortly before the Derby it was announced that no disruptive action would be taken.

In the November, 1967, election, 11 out of 12 Republican Aldermen were defeated giving the Democratic Party complete control in the Board of Aldermen.

It is generally considered that the failure of the Republican Board of Aldermen to ~~make~~ pass an open housing ordinance was responsible for their defeat in the election.

Among the first acts of the new Board of Aldermen when it took office in December, 1967, was to pass an open housing ordinance which was acceptable to open housing supporters.

The Courier Journal on 2/2/68, reported speculation as to possible civil rights demonstrations in connection with the 1968 Kentucky Derby. A number of civil rights leaders were quoted as opposing any civil rights demonstrations at this time. Reverend A. D. WILLIAMS KING reportedly stated that he could not foresee a need for demonstrations this year. u

The above review contains all of the statements attributed to Reverend A. D. WILLIAMS KING bearing upon tactics to be used in the demonstrations. It is to be noted that most of his statements advocate peaceful or moderate activity and at no time did he openly advocate violence. The nearest he came to what might have been considered fomenting disorder was in connection with his remarks about activity to disrupt the Kentucky Derby and nothing came of this threat. u

During the review of the 1967 open housing demonstrations, it was noted that Reverend LEO LESSER, JR., seldom made any statements and his only activities seem to be walking at the head of the marchers in apparent position of leadership. u

Unless the mere fact of leading a peaceful demonstration qualifies a subject for inclusion on the Rabble Rouser Index, it is not felt that available data fails to justify the inclusion of Reverend A. D. WILLIAMS KING or Reverend LEO LESSER, JR., in the Index. u

It is to be noted further that Reverend LEO LESSER, JR., has reportedly become pastor of a church in Nashville, Tennessee, although he reportedly continues to maintain his residence in Louisville, Kentucky. u

A check of Bureau records discloses no record of any communications from your office recommending any individuals for inclusion on the Rabble Rouser Index. The names of several individuals were pointed out to you in referenced letter who would obviously meet the criteria for inclusion on the Rabble Rouser Index on the basis of information which you have previously furnished the Bureau regarding these individuals. You should submit your recommendations regarding these individuals without further delay.

As you were previously instructed, you should immediately and thoroughly review the racial activity and other protest activity which has taken place in your division and reexamine the activities of the individuals involved and make appropriate recommendations as to those who meet the criteria for inclusion on the Rabble Rouser Index. This criteria should be liberally interpreted.

SUBJECT: RABBLE ROUSER INDEX
SUGGESTION 458-68 SUBMITTED BY
SA ROBERT A. MINITER
SAN JUAN OFFICE

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 4-22-80 BY SP1654/2W

SUGGESTION: That Form FD-305 (Insert to Cover Memoranda in Security Index Cases Transmitting Reports to the Bureau) and Form FD-305a (Insert to Cover Pages in Reserve Index Cases Accompanying Reports to the Bureau) (samples attached) be revised to include the following captions:

1. Subject's name is included on the Rabble Rouser Index.
2. This case has been re-evaluated in the light of the Rabble Rouser Index criteria and it continues to fall within such criteria because....
3. Case has been reviewed in light of the criteria established for inclusion on the Rabble Rouser Index and subject's activities do _____ do not _____ warrant his inclusion on the RRI. (Separate letter to be submitted recommending inclusion.)

CURRENT PRACTICE: No provision is made for these statements on any current Bureau form.

ADVANTAGES: The suggester states inclusion on this index must be considered for all persons on the Security Index, Reserve Index A and Reserve Index B. Use of this form, submitted with reports on these subjects would save Agent time in preparing the dictation in each case of these statements, save stenographic time in taking, transcribing and typing these statements. It would not increase the page content or use for reports.

REC-25 157-7782-201

DISADVANTAGES: The cost to revise the two forms but the change could be placed into effect when the current forms are exhausted.

FEB 20 1968

OBSERVATIONS: SAC Anderson, San Juan, stated the idea appears to have considerable merit and recommended it be considered for adoption.

Memo Casper to Mohr
Re: RABBLE ROUSER INDEX
SUGGESTION 458-68 SUBMITTED BY
SA ROBERT A. MINITER
SAN JUAN OFFICE

Domestic Intelligence Division stated this suggestion has definite merit. It is practical and appears to be a time and paper saving procedure. If adopted, Form FD-305 would be revised as follows:
Item 1. /X/ Subject's name is included in the Security Index /_/ or Rabble Rouser Index /_/.
Item 9. /_/ This case has been re-evaluated in light of the Security Index /X/ Rabble Rouser Index /_/ criteria and it continues to fall within such criteria because (state reason).
Form FD-305a would be revised as follows: Item 1. /_/ Subject's name is included in Section /_/ A. or /_/ B. of the Reserve Index or /_/ Rabble Rouser Index.
Item 9. /_/ This case has been re-evaluated in the light of the Reserve Index /_/ Rabble Rouser Index /_/ criteria and it continues to fall within such criteria because (state reason). In addition to the suggester's recommendation FD-305 Item 8. should be revised to read: This case no longer meets the Security Index /_/ Rabble Rouser Index /_/ criteria and a letter has been directed to the Bureau recommending cancellation. Also, FD-305a, Item 8, should be revised as follows: This case no longer meets Reserve Index - A /_/ Rabble Rouser Index /_/ criteria and a letter has been directed to the Bureau recommending cancellation. With regard to revision number three of the suggester, it should not be incorporated inasmuch as the revision pertains to individuals not on any Index. The purpose of the FD-305 and FD-305a is to assist in the handling of recommendations pertaining to individuals already included in an Index. The space for Items 6 and 7 on both forms should be lessened sufficiently to allow space for the above-mentioned revisions. This will not create a problem as experience has shown that the existing space is normally not utilized in its entirety.

Due to the views expressed by the Domestic Intelligence Division, the Training Division agrees that modification of these two forms to assist in handling the Rabble Rouser Index will help the field and should be approved.

RECOMMENDATIONS: (1) That the suggestion as modified be adopted and the attached letter of appreciation forwarded to the suggester. He was thanked by prior letter.

It is requested that the above-named individuals be considered for inclusion on the Rabble Rouser Index.

As regards the remainder of the names on Phoenix letter of 12/26/67, Phoenix Division has conducted extensive investigation to determine whether such people met the criteria of a Rabble Rouser as definded in SAC letter 67-70. In view of the fact that such investigation has failed to determine that those people met such criteria, Phoenix is conducting no further investigation of these individuals under captioned matter. In this light it is to be noted that Phoenix has no evidence of any radical Negro organizations in existence in the Phoenix Division with the exception of the NOI.

However, in an effort to utilize the efforts of such investigation, Phoenix will evaluate those persons potential as racial informants and determine whether or not any of them should be opened as PRIs. DATE: 2/8/68

FROM : SAC, KNOXVILLE FOIA(b)(7) - (C) (C)

SUBJECT: RABBLE ROUSER INDEX
(RACIAL INTELLIGENCE SECTION)

Re Bureau letter to Knoxville 1/5/68.

In regard to LEROY T. GRIFFITH, additional information has been furnished by [redacted] FOIA(b)7 - (D) on February 2, 1968, to the effect this person is very busy at this time with his religious work and with the church. His congregation is at this time engaged in the construction of a new church and practically the entire time of GRIFFITH is taken up with this project. The new church will have the name of Presbyterian Church of Reconcillation.

PEAVY advised he is in daily contact with this individual and is sure his activities are directed toward the best interest of his congregation, which is comprised primarily of the Negro race.

In connection with the letter written to STOKLEY CARMICHAEL by GRIFFITH, which contained an open invitation to CARMICHAEL to visit Chattanooga, PEAVY, as well as others contacted, have stated that GRIFFITH does not necessarily uphold the actions and opinions of CARMICHAEL, but did resent the fact that the City of Chattanooga would bar anyone from visiting the city. It is noted the letter itself indicates GRIFFITH and his parishioner did not agree with all of CARMICHAEL's statements and actions.

In view of the above, it is not recommended that LEROY T. GRIFFITH's name be placed on the Rabble Rouser Index, Knoxville Division.

A separate file has been opened on each of the five Negro youths mentioned in referenced Bureau letter 1/5/68 for the purpose of obtaining background information, ascertaining their activities, and possible connections with racial movement in Chattanooga, Tennessee. The results of the

investigation to date do not indicate that any of these five Negro youths should be recommended for Rabble Rouser Index of this division. They are all five individuals from broken homes, living in slum Negro neighborhood in the same immediate vicinity in which they were arrested. They all have long history of arrests both as juveniles and by the Chattanooga Police Department. Most of the arrests are illegal entry, illegal possession, disorderly conduct, drunkenness, assault, grand larceny of autos, and loitering. They are not considered by local Chattanooga Police Department, Negro leaders, and others as being individuals active in any way in the racial movements. They are not known to belong to any Negro organizations, such as SNCC, CORE, HELP, Inc., NAACP, etc. They are not reported to be leaders of even a small group of Negro youths or in any way appear to qualify for Rabble Rouser Index. u

Those interviewed state they believe these individuals became involved due to the many rumors Chattanooga on August 9, 1967, regarding possible racial trouble due to GEORGE C. WALLACE, former Governor of Alabama speaking at Chattanooga on the night of August 9, 1967. The streets where they were arrested is their nightly frequented area and within one block of some of their residences and they are the type that would be a part of any activity in their neighborhood for something to do. They have been problems of Juvenile Court, Chattanooga Police Department, Job Corps, and schools. u

FOIA(b)(7) - (C) is presently serving a 4-year term for burglary on a guilty plea, Hamilton County Criminal Court, Chattanooga, Tennessee, 12/8/67. FOIA(b)(7) - (C) is presently out on bond awaiting trial in Hamilton County Criminal Court, Chattanooga, Tennessee, one count of burglary, not scheduled for trial April 8, 1968. u

There is only one klan-type organization in Chattanooga, Tennessee, and Hamilton County, Tennessee. This is the Dixie Klans, Knights of the Ku Klux Klan, Inc. (DK, KKKK, Inc.) with national headquarters and only one active klavern, both located 2523 Glass Street, East Chattanooga, Tennessee (BUFILE 105-65374; Knoxville file 100-3301). All reports

NW 5093 DocId:59161087 Page 94

regarding this organization for the past few years have clearly set forth that members and leaders of this organization have not advocated violence, violations of laws, or any action that would cause incidents or possible violence or violations of the laws. They are opposed to integration through legal means and voice their objections peacefully and urge their members to vote and secure votes of others to obtain their objectives. u

In view of the above, it is not recommended that any of the member, leaders or policymakers of the DK, KKKK, Inc., be placed on the Rabble Rouser Index at this time. u

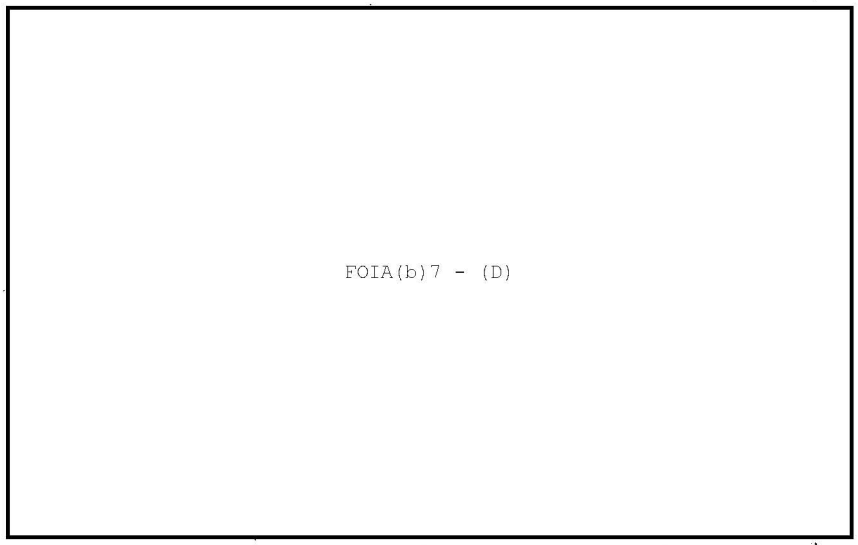

The only active klan organization in the Knoxville, Tennessee, area at the present time is the United Klans of America, Inc., Knights of the Ku Klux Klan (UKA, Inc., KKKK). There are two active klaverns in the Knoxville area; Klavern #1, located at Maryville, Tennessee, and Klavern #778, located at Mascot, Tennessee. (Bureau file 157-370; Knoxville file 100-1386). All reports concerning this organization for the past few years have clearly set forth that members and officers of this organization in the East Tennessee area have not advocated violence or been involved in any acts which could be construed as acts of violence. As other klan groups, this group is opposed to integration but their main theme at the present time is that they are organized to help stop the spread of communism in the United States. From a review of reports regarding closed meetings held by these klaverns, they advocate the changing of current laws with which they disagree by legal means and by urging their members to inform their friends and family to vote in order to obtain their objectives. u

In view of the above, it is not recommended that any of these members, officers, or policymakers of the UKA, Inc., KKKK, be placed on the Rabble Rouser Index at this time. u

Mrs. EBERTA SPINKS is an official at the NAACP in Laurel, Mississippi, and a member of the Mississippi Freedom Democratic Party in the Jones County Voter and Citizen Education League. Her involvement in civil rights activities has been limited and peaceful and she has not engaged in protest type activity which has led to disorder.

JAMES MOORE, Former official of NAACP and present chairman of the Leflore County Freedom Democratic Party, is not being submitted for inclusion in the Rabble Rouser Index inasmuch as his civil rights activities have not involved violent agitation. Although a civil rights leader in Leflore County, MOORE has not advocated violent demonstrations nor has he made inflammatory statements which have led to disorder.

WILLIE YOUNG, a local Negro in the Crystal Springs, Mississippi, area, has been connected with furnishing transportation for the civil rights workers in that community. Although he has been active in the boycott of white merchants, he holds no leadership position and is not capable of influencing others to actively participate in marches and demonstrations.

REV. JAMES C. KILLINGSWORTH's activities are being followed and he has been inactive the past few months, but he and other so-called leaders' activities are being analyzed.

The activities of those individuals above who have not been recommended for inclusion in the Rabble Rouser Index are being closely followed. The Bureau will be immediately notified of any change in their current activity.

Reurlet dated 2/1/68 and Bureau letter dated 1/11/68. u

Referenced Seattle letter indicates that [redacted] is not being recommended for the Rabble Rouser Index. u

You are reminded that under the expanded criteria agitators who have demonstrated by their actions and speeches that they have a propensity for fomenting disorder and have attracted such attention nationally or locally should be included in the Rabble Rouser Index. u

Previous information furnished to the Bureau by your office indicates [redacted] has led Negro agitators and is a militant who encouraged Negroes to exhaust every means at their disposal to bring about changes for Negroes. In view of this, it appears that [redacted] fits the criteria for a rabble rouser. u

If your office feels that [redacted] does not fit the criteria, you should furnish the Bureau sufficient information to support your recommendation; otherwise, an FD-397 should be immediately submitted to the Bureau, followed by an investigative report of his current activities. The criteria for inclusion on the Rabble Rouser Index should be liberally interpreted. u

CORRETJER has been actively engaged in subversive activity and with groups seeking independence for Puerto Rico since 1935. u

From 1936 - 1942, he was incarcerated in the Federal Correctional Institution at Atlanta, Georgia, for his participation in a conspiracy to overthrow the United States Government in Puerto Rico, and the recruitment of soldiers for the "Battalion of the Republic of Puerto Rico" (a group to be used for revolutionary purposes). u

Since his release from Atlanta he has been a member of the Puerto Rican Communist Party (PCP); MPIPR; Nationalist Party of Puerto Rico (NPPR) and Accion Patriotica Unitaria (APU). u

In January, 1964, subject formed the LSP from a group of young men who were described assbeing militant and Marxist oriented. At that time it was CORRETJER's aim to have his own organization with members completely indoctrinated in theories of Marxism with his ultimate goal the establishment of an independent socialistic type of government for Puerto Rico. u

CORRETJER currently lectures at weekly meetings of the LSP on the history of Puerto Rican independence and the Puerto Rican labor movement. Aforementioned lectures are interspersed with comments on strike and guerilla tactics. u

By means of LSP publications, published in newsletter format, and public speeches, CORRETJER has exhorted repudiation and resistance to compulsory military service. The September 24, 1966, issue of "El Mundo," a Spanish language daily newspaper published at San Juan, carried an article reporting that during a speech subject had urged Puerto Rican youths to resist obligatory military service by gunfire. u

SUCCINCT RESUME OF ACTIVITIES
Reported to have been active in the Watts riot of 1965; appeared on the cover of "Life" magazine drilling a group of Negro youth. At Cincinnati, Ohio, in the summer of 1967, he stated that legitimate black power activity being of no value except as a front for illegal activities such as the use of Molotov cocktails and explosives. Additional data will be included as developed. a

Dear Miss Lape:

I have received your suggestion that a particular index be maintained on cards with a resume about the individual concerned on the back of each; that required additions or changes be handled by a standard form; and, that the appropriate abbreviation be placed on the file cover involved. As you are probably aware now, a portion of this proposal was placed into effect simultaneously with your submission of it. With respect to the remainder, it has been decided the other actions mentioned by you are not necessary in handling this procedure.

The interest which prompted you to submit your idea to me is indeed appreciated.

Sincerely yours,

J. Edgar Hoover

resume to appear on reverse side. Recommendations, changes and verifications to be made using a standard form. RRI would be stamped on file cover. u

Suggestion was dated 1/16/68 and SAC Letter 68-5 dated 1/16/68 issued instructions regarding this index. Chicago had not received SAC Letter when suggestion submitted. Bureau is going to prepare these index cards and forward to field offices. Form FD-397 will be utilized to facilitate submission of data regarding individuals recommended for inclusion in index. Domestic Intelligence Division has advised resume on back of card not warranted due to work involved in keeping this information up to date at all times since it changes frequently. Index card will refer to a case file where resume will be retained attached to original recommendations submitted by office. No purpose would be served by stamping RRI on file cover. This is done in Security Index cases since these individuals are subject to detention in event of an emergency while Rabble Rouser Index subjects are not subject to detention. Training Division recommends suggestion not be adopted. u

SUBJECT: RABBLE ROUSER INDEX
(RACIAL INTELLIGENCE SECTION)

Re Bureau letter, 1-10-68, requesting Columbia review its files for possible additional subjects to be included in the Rabble Rouser Index; and SAC Letter 68-5, dated 1-16-68, advising that Bureau Form #397 would be furnished to the field and that subjects on the Rabble Rouser Index should be submitted on this form.

A review of the Columbia Division files concerning racial subjects indicates several additional subjects who are active on a local level and could be included in the Rabble Rouser Index. At the present time the Columbia Division is obtaining background information concerning these individuals. ReSAC letter indicated that Form #397 would be used by the field offices in submitting subjects for the Rabble Rouser Index and for subjects already included in this index.

UACB, Columbia will submit the additional subjects for inclusion in the Rabble Rouser Index upon receipt of the new form from the Bureau and the completion of the background information necessary to place a subject in this index.

SUBJECT: RABBLE ROUSER INDEX
Form FD-397

To recommend that captioned index be programed into our automatic data processing equipment and to recommend the adoption of a proposed form (copy attached) for use by the field in recommending additions to, changes in, and deletions from this index.

By SAC Letter 67-70 (E) dated November 28, 1967, the Rabble Rouser Index was expanded to include agitators who have attracted local attention as well as national attention. Previously this index was limited to individuals of national prominence and because of the small volume matters dealing therewith have been handled manually.

With the expansion it is believed that a savings in clerical time in the field as well as at the Seat of Government can be accomplished by placing this index on the above equipment. Its feasibility has been discussed with representatives of the Voucher-Statistical Section.

The attached proposed form which, if approved, will be given the form number FD-397, is designed for field use in connection with matters dealing with the Rabble Rouser Index. It has been reviewed by representatives of the Voucher-Statistical Section and meets the needs of that section in placing this index in our computer system.

RECOMMENDATION: REC 3 157-7782-187

(1) That the Rabble Rouser Index be placed on our computer equipment (2) That the attached form be approved for use in connection therewith.

22 JAN 24 1968

If you agree with the above recommendations, an appropriate communication will be directed to all offices giving instructions concerning this matter.

ADDENDUM: Voucher-Statistical Section WMR:lk 12/14/67

This matter has been studied and it has been determined that there will be an initial cost of approximately $640 to convert this project to automation, with a monthly cost thereafter of approximately $27. Processing costs are low and it is evident that there would be an advantage to automate this project since it requires constant revision and updating which if done manually would be much more costly.

Reference SAC Letter 67-70 (E) dated 11/28/67 which enlarges the criteria for inclusion in the Rabble Rouser Index (RRI). Subject to inclusion under the new standards are agitators of all types whose activities have a bearing on the national security. u

Masferrer's activities over the past several years and continuing up to date would appear to qualify him for consideration for inclusion in the RRI. He has repeatedly demonstrated his ability to gather under his direction and control substantial numbers of individuals ready to engage in armed conflict and to obtain supplies of arms and military equipment. The fact that he has been convicted recently in a Customs Bureau case for violation of Federal neutrality statutes and is now awaiting sentencing should not automatically preclude him from consideration. u

You should review your files regarding subject and forward to the Bureau your recommendation regarding his inclusion in the RRI. Such recommendation is to be accompanied by well thought out support for your position. u

Black Power (CCBP), a militant civil rights group in Chicago, MEEK talked about people "tricking" and telling "Johnny Law" about activities of the CCBP. He said, "If I find you, I'll kill you." u

In 1/67, at a meeting of the Committee to Save Powell in Chicago, MEEK said all Negroes should prepare to defend themselves and any Negro who does not have a gun is a fool, a black traitor and an Uncle Tom. u

At the Black Peoples Convention (BPC) 9/1-4/67 in Chicago, MEEK spoke on 9/3/67, calling for more black power for Negroes. He said Negroes should involve themselves in meetings of all types so that Negroes can get power in their hands in an effort to avoid being exploited by white people. u

SUBJECT: RABBLE ROUSER INDEX
(RACIAL INTELLIGENCE SECTION)

CLASSIFIED AND EXTENDED BY SP-1 GSA 1 AW 4-22-80
REASON FOR EXTENSION FCIM, II, 1-2.4.2 2
DATE OF REVIEW FOR DECLASSIFICATION 1-18-88

Reurlet dated 1/8/68.

The files of the Birmingham Division have been reviewed, and it is felt that no additions should be made to the Rabble Rouser Index at the present time.

Rev. T. Y. ROGERS from May, 1966, until recently has been a liaison source of the Birmingham Division and has furnished reliable advance information concerning racial demonstrations and other civil rights activities. ROGERS has now moved to Atlanta, Georgia, where he has assumed a new position as Director of Affiliates for SCLC. Arrangements have been made by the Birmingham and Atlanta Divisions whereby ROGERS is currently being developed as a racial ghetto informant in the Atlanta Division.

TOMMY WRENN no longer identifies himself with SNCC; however, he is an active member of the Alabama Christian Movement for Human Rights (ACMHR). During the summer and fall of 1967, WRENN was a political candidate for the Birmingham City Council, and although he was not elected he did receive enough votes to qualify him for the run-off election. WRENN led marches and demonstrations during the time he was running for public office, and these activities may have been motivated by political reasons because he has not participated in any civil rights activities since that time. WRENN is a close associate of BEN SUNSHINE OWENS, who is a payroll employee for SCLC. The Birmingham Division believes OWENS may contact WRENN in the near future and ask WRENN to be an organizer in the Birmingham area for SCLC's Washington spring project. WRENN's activities are being closely followed by the Birmingham Division, and if he participates in the Washington spring project or any other racial demonstrations, he will be immediately added to the Rabble Rouser Index.

Rev. JOHNNY BURRELL is no longer active in civil rights activity, and the West Jefferson County Coordinating Council has disbanded. BURRELL is currently working as a barber in Bessemer, Alabama. u

Rev. EDWARD GARDNER, Vice President of the ACMHR, has been a liaison source of the Birmingham Division since 6/25/66 and has always furnished advance reliable information concerning marches and demonstrations planned for the Birmingham area. Rev. GARDNER always obeys both city and state laws when participating in demonstrations, and he maintains complete control over the demonstrators so that no disorders will occur. C

Rev. ALBERT TURNER, Field Director, SCLC, makes his residence and works in the Montgomery-Selma, Alabama, area. Usually, TURNER will only come into the Birmingham Division when MARTIN LUTHER KING, JR., or some other high SCLC official is in the Division. u

SAC LETTER 68-5
WASHINGTON, D.C. 20535
1-16-68

(D) RABBLE ROUSER INDEX -- By SAC Letter 67-70 dated November 28, 1967, you were advised that the Rabble Rouser Index is being expanded to include agitators who have attracted local attention as well as those who have attracted national attention. In view of the expansion of this Index, it is being programmed into the Bureau's automatic data processing equipment.

To facilitate the submission of the necessary background information, organizational affiliations, and other data on the individuals recommended for inclusion in the Index, Form FD-397 has been devised. A supply of these forms will be forwarded to you in the near future.

An original and one copy of Form FD-397 shall be completed and forwarded to the Bureau by the office of origin on each individual it recommends. A succinct resume of the subject's activities on which the recommendation is based shall be attached. Current instructions require submission of an up-to-date investigative report with recommendations for inclusion. In view of the urgency of the over-all racial situation which dictates cataloging of all potential racial agitators as soon as possible, you should submit Form FD-397 as soon as sufficient background for that purpose has been developed through investigation. In such instances, an investigative report should be submitted as soon as possible thereafter.

Upon receipt of Form FD-397 at the Bureau, the case of the subject will be reviewed and if the recommendation is concurred in, Rabble Rouser Index cards will be prepared. The duplicate copy of the form will be returned to the office of origin stamped "Rabble Rouser Index card approved and prepared, copy attached." The returned copy of Form FD-397 shall be placed in the subject's main investigative case file in your office and the Index card filed alphabetically in a card index file designated "Rabble Rouser Index."

With regard to the individuals presently on the Rabble Rouser Index, you should resubmit the background and other required information on a Form FD-397 clearly indicating that it is a resubmission. Upon receipt of Form FD-397, a Rabble Rouser Index card will be prepared on each of these individuals at the Bureau. The duplicate copy of the form will be returned to the office of origin with a copy of the

Form FD-397 should also be used for the submission of any amendments and/or necessary updating, as well as to recommend the deletion of an individual from the Rabble Rouser Index. When recommending the addition of a new subject to the Index or the deletion of a subject from the Index, Form FD-397 should be accompanied by an abstract. No abstract is necessary when submitting amendments or changes only. u

RABBLE ROUSER INDEX
RACIAL MATTERS

Re Bureau airtel, above caption, dated 12/21/67, to Dallas. Reference is also made to Dallas teletype dated 9/14/67, captioned "RANDOLPH RATLIFF, Director, Neighborhood Organization War on Poverty, Office of Economic Opportunity, Racial Matters;" and Bureau letter to Honorable SARGENT SHRIVER, with enclosed letterhead memorandum, dated 9/19/67.

It is noted in referenced Bulet of 9/19/67, instructions were given Dallas to conduct no further investigation relative to RATLIFF. Since date of that letter, no information has been developed or received which would corroborate the allegations against RATLIFF as set out in Dallas teletype of 9/14/67, and no racial incidents have occurred in the Dallas - Ft. Worth area. It is further noted that instructions contained in SAC Letter 67-70 dated 11/28/67, set out certain expanded criteria for an individual to be included in the Rabble Rouser Index, and instructed that any such individuals are to be submitted with separate writeups, requiring a background investigation to obtain the required data.

In view of above Bureau instructions, Dallas does not feel that RATLIFF qualifies for the Rabble Rouser Index at this time.

Dear Mrs. Fritz:

Reference is made to the suggestion which you submitted on August 16, 1967, that a particular index be maintained in a certain fashion and that photographs of these individuals be included on the cards. Due to a recent change in procedures, I am pleased to advise you that a modification of your proposal is being placed into effect. These index cards will be prepared at the Seat of Government and forwarded to field offices thereby eliminating the need to maintain this material in a loose-leaf binder.

I want to take this opportunity to express my appreciation to you for giving me the benefit of your observations on this matter.

Sincerely yours,

J. Edgar Hoover

NOTE: Mrs. Fritz suggested the "Rabble Rouser Index" be made a part of the Security Index, in a separate section, as is the Reserve Index, and be maintained on cards. Also, suggested that a photograph of each subject on the "Rabble Rouser Index" be affixed to his card.

Mrs. Ann M. Fritz

Due to SAC Letter dated 1/5/68 (copy attached for information) which has been approved, one portion of the above-mentioned idea is being implemented in that the Rabble Rouser Index will be maintained on cards in the field office rather than in loose-leaf binders. Training Division feels Mrs. Fritz should receive this letter in recognition of this portion of her proposal which is being placed into effect.
